Puppy Medium

Satisfaction
PUPPY MEDIUM

FOR MEDIUM-BREED PUPPIES

Specially formulated for medium-breed puppies (10 to 25 kg at adult weight). During the growth period, nutritional needs vary according to breed and age. As such, we created **SATISFACTION PUPPY**, which is high in protein (**20% fresh chicken**) and energy (**chicken fat and rice**), and provides a balanced amount of calcium and phosphorus. The kibbles have been especially designed for medium breeds.

Benefits

L-Carnitina	Alta densidad energética	Yucca	Taurina	Bioflavonoides
Fat Control	Digestive care	Odour Control	Healthy heart	Inmunohealth

-It is very important that dogs grow without any excess weight to avoid potential obesity in the future. The **L-Carnitine** helps to convert fat into energy, avoiding any potential build-up of fat.

-The **high protein and energy content** is essential for the faster growth rate of small breeds, which reach adult size in just 6 months.

- The **Yucca** extract significantly reduces the smell of the dog's faeces.

-The **Taurine** helps to ensure a healthy heart and good vision.

-The **Bioflavonoids**, cellular antioxidants (vitamins C and E) that come from citrus fruits, encourage the development of a strong and healthy immune system.

Ingredients

Dehydrated poultry proteins, fresh chicken (20%), rice (20%), corn gluten, poultry fat, brown rice, beet pulp, brewer's yeast, hydrolysed animal proteins, sunflower oil, mineral substances, citrus extracts source of bioflavonoids (0.15%).

Average analysis

Protein: 31%, Fat content: 21%, Crude fibres: 1.8%, Inorganic matter: 7%.
