

SENIOR – RICH IN CHICKEN

COMPLETE PET FOOD FOR SENIOR CATS

Mongee Natural Superpremium Senior rich in chicken is a complete and balanced pet food for senior cats. The first ingredient is chicken and the formulation is characterised by its digestibility and palatability due to the inclusion of fresh meat. The formulation is enriched with XOS (Xylo-oligosaccharides), next generation prebiotics to support intestinal wellness. The inclusion of select ingredients, such as rose hip with antioxidant compounds to neutralize free radicals and yucca schidigera to limit intestinal odours, is the result of Made in Italy research to support the quality of our senior cat's life. Formulated with salmon oil, source of omega-3 fatty acids for a shiny coat. No added dyes and artificial preservatives.
